Susana Banerjee
London, United Kingdom

Through a condensed, high-standard educational programme, ESMO and ESO aim to motivate medical students to choose medical oncology as a career. The intention is to attract and engage the brightest and most dedicated students to commit to working in this fast-evolving field to the benefit of cancer patients as ultimate goal.

APPLICATION DEADLINE

15 April 2016

In cooperation with:

VNIVERSITAT
D VALÈNCIA

“If I have to say what was the very last take home message of this course, I would answer enthusiasm. In conclusion I’m going back home with a heavier luggage of knowledge and a lot of new friends.”

Federica Martorana, a student from Italy

“A big thank you to ESMO for this remarkable experience. It was rewarding in so many ways. I leave even more sure that oncology will be my future specialty.”

Inês Monteiro, a student from Portugal
