

# International Conference on LYMPHOMAS

Marseille, France - Pullman Hotel  
October 2012, 28-30

**Chairs: A. M. Carella, B. Coiffier, P. Johnson**

***Preliminary Programme (still subject to change)***

**Sunday 28<sup>th</sup> October 2012**

09.00-09.15	<b>Opening</b>	B. Coiffier (Lyon)
<b><u>Hodgkin Lymphoma (HL)</u> - Chair: A. Carella (Genoa)</b>		
09.15-09.45	The Microenvironment and Hodgkin Lymphoma	R. D. Gascoyne (Vancouver)
09.45-10.15	Early stage disease	J. Radford (Manchester)
10.15-10.30	<i>Coffee break</i>	
10.30-11.30	Round table: Advanced stage disease: How intensive does treatment need to be?  General Discussion	A. Engert (Cologne) N. Mounier (Nice)
11.30-12.00	Treatment of recurrence and high-dose therapy	A. Sureda (Cambridge)
12.00-12.30	New drugs	A. Davies (Southampton)
12.30-13.00	Which treatment for NLPHL?  General Discussion	D. Eichenauer (Cologne)
13:15-14:30	<i>Lunch</i>	
<b><u>Extranodal and Mantle Cell Lymphomas</u> - Chair: P. Johnson (Southampton)</b>		
14.30-15.00	Cutaneous T-cell lymphomas	W. Kempf (Zurich)
15.00-15.30	Post-transplant lymphomas	R. Trappe (Kiel)
15.30-16.00	Treatment of mantle cell lymphoma	S. Rule (Plymouth)
16.00-16.15	<i>Coffee Break</i>	
16.15-17.15	<u>Special lecture</u> : The role of pathogens in lymphomagenesis	O. Hermine (Paris)

## Monday 29<sup>th</sup> October 2012

### Diffuse large B-cell lymphomas - Chair: P. Johnson (Southampton)

09.00-09.30	The biology of aggressive disease: what are we treating?	R. Siebert (Kiel)
09.30-10.30	Round table: First line therapy: more antibody, more chemotherapy or more biology?  General Discussion	U. Vitolo (Turin) C. Haioun (Paris)
10.30-10.45	<i>Coffee break</i>	
10.45-11.15	Very old patients	B. Coiffier (Lyon)
11.15-11.45	Management of relapse	C. Thieblemont (Paris)
11.45-12:15	The role of imaging in management	M. Meignan (Paris)
12.15-14.00	<i>Lunch</i>	
14.00-14.30	CNS relapses	N. Schmitz (Hamburg)
14.30-15.30	<u>Special lecture:</u> Late complications in lymphoma	M. André (Yvoir)

### T-cell lymphoma - Chair: B. Coiffier (Lyon)

15.30-16.00	The biology of different subtypes	L. de Leval (Lausanne)
16.00-16.30	Initial therapy: should we treat subtypes differently?	PL. Zinzani (Bologna)
16.30-16.45	<i>Coffee break</i>	
16.45-17.15	The role of high-dose therapy	P. Reimer (Essen)
17.15-17.45	New drugs	S. Rule (Plymouth)
	General Discussion	

## Tuesday 30<sup>th</sup> October 2012

### Follicular lymphoma - Chair: B. Coiffier (Lyon)

09.00-09.30	Initial therapy: does the chemotherapy matter?	M. Federico (Modena)
09.30-10.00	Maintenance therapy; which antibody to use?	P. Johnson (Southampton)
10.00-10.30	Relapsing patients	R. van Oers (Amsterdam)
10.30-10.45	<i>Coffee break</i>	
10.45-11.30	New drugs in NHL	A. Younes (Houston)
11.30-12.00	Treatment of MALT lymphoma	E. Zucca (Bellinzona)
12.00-12.45	Case presentations from those attending the course with panel	
12.45	Conclusions	A. M. Carella and P. Johnson

*End of meeting*
